

2025

PARTNER PROSPECTUS

October 30 - November 1, Columbus, Ohio

Advancing Science Culture Community

SACNAS advances science, technology, engineering, and math (STEM) by hosting the leading multidisciplinary and multicultural STEM conference in the country. Attendees from across all STEM disciplines participate in a dynamic program inclusive of research sessions, professional and leadership development, and cultural events. Partners are a key component of this experience, providing opportunities, positions, mentorship, and knowledge. By partnering with SACNAS, you have the unique opportunity to engage with and recruit research-focused, highly engaged, and motivated students and professionals.

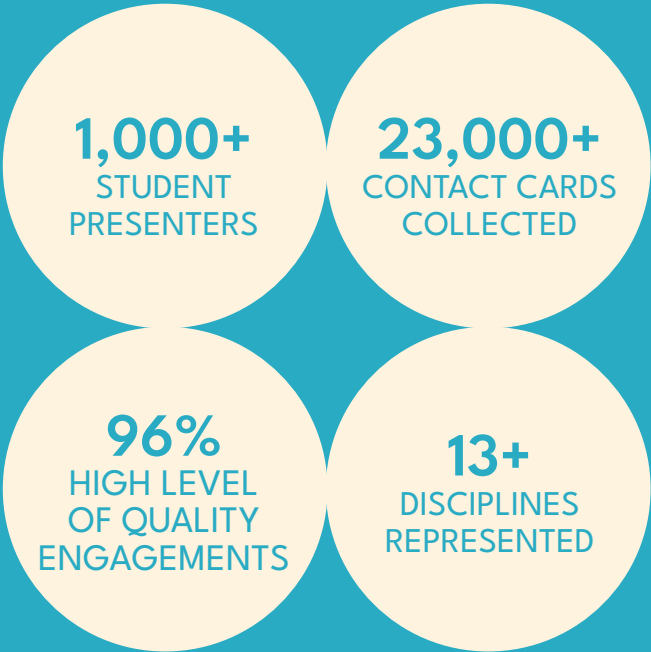

EXHIBITING ROBUST BENEFIT OPPORTUNITIES

- Two Full Days of Exhibiting
- Full Conference Registrations for all Exhibitors
- Non-Competing Exhibit Hall Hours
- Priority Booth Selection
- Optimal Booth Location Options

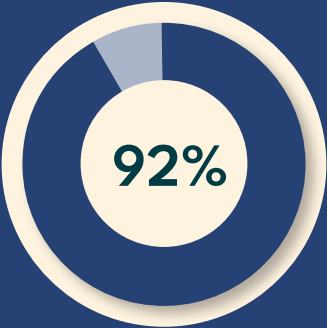

RECRUITMENT ENGAGE WITH STEM TALENT

- Full Attendee List (Presenting ONLY)
- Career Center Job Postings + Social Media Promotion
- Access to Resume Database
- Exhibit Hall Interview Booth
- Digital Recruitment Guide Featured Ad
- Mobile App

BRANDING OPPORTUNITIES TO BUILD YOUR BRAND

- Sponsor a Reception
- Logo on Conference Bags (Presenting Only)
- Visual Recognition at Plenary
- Visual Recognition at Breakout Sessions
- Featured Branding in Conference Emails
- Featured Branding at Convention Center
- Spotlight on SACNAS Website
- Featured Branding at Exhibit Hall Entrance
- Featured Branding on Conference Website

STUDENT & POSTDOC SUPPORT		
Postdoc Travel Award Provide conference scholarships that include funded travel, lodging and/or registration for postocs to attend NDiSTEM.	\$1,750	Unlimited
Individual Student Travel Award Provide conference scholarships that include funded travel, lodging, and/or registration for undergraduate and graduate students to attend NDiSTEM.	\$1,750	Unlimited
Graduate Student Oral Presentation Award Provide a student award to aspiring STEM students from all backgrounds to advance in their academic and career success. Awards are given to graduate oral presenters. Partner name displayed during awards ceremony. Student awardee contact information provided post-conference.	\$1,500	Unlimited
Undergraduate Student Poster Presentation Award Provide a student award to aspiring STEM students from all backgrounds to advance in their academic and career success. Awards are given to undergraduate research presenters. Partner name displayed during awards ceremony. Student awardee contact information provided post-conference.	\$1,000	Unlimited

Known for our blend of science, culture, and community, SACNAS invites attendees and partners to bring their whole selves - their identity, background, experiences, and talents - to STEM. Through strategic partnerships with institutions, companies, and agencies all over the country, SACNAS provides its members access to the opportunities and connections needed to excel in obtaining advanced degrees, careers and positions of leadership in STEM.

“I am deeply grateful for this community and the chance to grow alongside them. Looking forward to applying what I’ve learned and staying connected with the amazing people I met at SACNAS!”

Mitzi Guadalupe Hernandez,
Student, University of California, Berkeley

Over the course of the event, college-level through professional attendees are immersed in cutting-edge STEM research, professional development sessions, motivational keynote speakers, and the Academic & Career Expo Hall, as well as multicultural celebrations and traditions, and an inclusive and welcoming community of peers, mentors, and role models. Simply put, the SACNAS conference is a broadly inclusive space where you are encouraged and empowered to bring your whole self to STEM.

“Being surrounded by such an inspiring scientific community has truly been a highlight of my academic journey—one filled with learning, growth, and discovery.”

ARIANA NEGRONI SANTIAGO
UNIVERSITY OF PUERTO RICO-MAYAGÜEZ

“We are an enthusiastic partner of SACNAS and NDiSTEM. We share the passion that SACNAS has for including everyone in the science and for us in particular around the chemical sciences. We come here because we get to meet young, up-and-coming scientists of the future. We help them uncover all the resources that ACS has to support them as they continue their academic journey. NDiSTEM also allows us to connect with our ACS community present at the conference. If you are in the sciences, if you are in STEM, if you’re looking for bright people, come to NDiSTEM.”

AL HORVATH, MBA
THE CHIEF EXECUTIVE OFFICER OF THE AMERICAN CHEMICAL SOCIETY
2024 SILVER PARTNER

“It was both overwhelming and inspiring to hear from incredible individuals who shared their stories of overcoming the challenges they faced on their journeys to success. Their resilience made me realize the power of a supportive community that genuinely wants the best for you. The conference deepened my passion for STEM and reinforced my belief that, with support and collaboration, we are all capable of breaking barriers and achieving great things.”

WESLEY ARMENDAREZ
STUDENT AT OREGON STATE UNIVERSITY

“Collaborations matter. SACNAS is an investment in innovation, and elevating partnerships that change what we think is possible in STEM and for all communities.”

JUAN AMADOR
EXECUTIVE DIRECTOR, SACNAS
