Subject: Approval Needed for SACNAS Membership

Dear [Supervisor Name],

I am reaching out to request approval [and/or sponsorship] to [become a member of / renew my membership with] SACNAS.

With more than 7,000 members from across the US, SACNAS is the leading multicultural and multidisciplinary STEM organization in the country, welcoming all to join for access to critical professional development, mentorship, and leadership opportunities.

SACNAS membership is only \$XX per year, provides immediate access to the following:

- Networking and engagement with the national member network, including 7,000+ members on the online community as well as local chapters.
- Access to Webinars, Career Development Content, and Online Mentoring Opportunities
- Eligibility to apply to professional training, including leadership institutes and workshops.
- Opportunities to volunteer, mentor, and serve as a leader.
- Discounted registration to attend the organization's annual NDiSTEM Conference.

Furthermore, this membership will allow me to start a Professional Chapter which can extend these opportunities and services to our company, as well as enrich our staff community. These invaluable opportunities to network and connect with other members and serve in leadership positions within the organization will only help me solidify my role as a leader in [Profession].

I am confident that a SACNAS membership is a good investment for [workplace name] and will support me to gain well rounded leadership skills. I look forward to hearing back from you and welcome the opportunity to discuss this further.

Thank you,
