

2023 SACNAS PARTNERSHIP GUIDE

NDiSTEM CONFERENCE 50TH ANNIVERSARY OCTOBER 26 – 28, 2023 PORTLAND, OREGON

Founded in 1973, SACNAS is an inclusive organization dedicated to fostering the success of Chicanos/Hispanics and Native Americans, from college students to professionals, in attaining advanced degrees, careers, and positions of leadership in STEM.

ABOUT SACNAS

Known for our blend of science, culture, and community, SACNAS invites attendees and partners to bring their whole selves — their identity, background, experiences, and talents— to STEM. Through strategic partnerships with institutions, companies, and agencies all over the country, SACNAS provides its' members access to the opportunities and connections needed to excel in obtaining advanced degrees, careers, and positions of leadership in STEM.

**TOGETHER, WE'RE TRANSFORMING
THE STEM WORKFORCE.**

ABOUT NDiSTEM

The SACNAS National Diversity in STEM (NDiSTEM) Conference is working toward a world in which the STEM enterprise proportionally reflects the demographics of the nation; a world of true diversity. We are changing the face of STEM by celebrating the contributions and perspectives of individuals from historically excluded identities, while ensuring that all our members see themselves in STEM and build the skills and relationships to thrive.

The largest multidisciplinary and multicultural STEM diversity event in the country, the NDiSTEM Conference is a gathering which serves to equip, empower, and energize participants for their academic and professional paths in STEM. Over the course of the event, college-level through professional attendees are immersed in cutting-edge STEM research, professional development sessions, motivational keynote speaker plenaries, and the Graduate School & Career Expo Hall, as well as multicultural celebrations and traditions, and an inclusive and welcoming community of peers, mentors, and role models. Simply put, the NDiSTEM Conference is a broadly inclusive space where you are encouraged and empowered to bring your whole self to STEM.

PARTNERSHIPS

Our partners are an essential part of SACNAS—providing opportunities, resources, connections, and inspiration to the next generation of STEM talent.

WE INVITE YOU TO JOIN THIS COMMUNITY OF CHANGEMAKERS.

The major goals for SACNAS are to provide an inclusive space that honors and celebrates science, culture, and community, and to serve as the connector between diverse STEM talent and you.

One of the most important aspects of our organization is the breadth of professional development opportunities available. Whether it's principles of leadership, engagement through networking, or access to the brightest talent, you will find them all through SACNAS. We hope you take advantage of the many benefits that come with a conference partnership.

As a partner, you demonstrate your commitment to diversifying STEM and making the culture of science more inclusive, not only at your own institution or company, but across the country. Your presence as a partner will help educate our members and conference attendees while influencing their academic and career paths.

“It was a privilege to sponsor this conference and support the economy of Puerto Rico by having Wells Fargo recruit for highly technical roles among talented Latinos and Native Americans,” expressed Xochitl Leon, Head of Talent Acquisition. “We appreciate the work of our business partners for continuing to innovate to drive diverse talent for all our line of businesses.”

Wells Fargo also complemented this lineup with a STEM Symposia Session focused on funding and leadership support to bring bright technical solutions to the real world shared Rene Contreras, Diverse Segments Relationship Lead.

Explore a partnership with SACNAS to identify ways to increase your impact, visibility, and engagement with our community. Access our diverse STEM talent, amplify your DEI impact and activate your employees by joining us in partnership this year.

WE ARE PROUD TO OFFER THE FOLLOWING PACKAGES FOR ALL 2023 PARTNERS.

WE LOOK FORWARD TO WELCOMING YOU INTO THE SACNISTA FAMILY.

A LA CARTE MENU

Conversations with Scientists Co-Sponsor:

Conversations with Scientists is a signature event—gathering student and professional attendees in informational, roundtable, and discipline-specific discussions. All conference attendees are encouraged to attend and serve as mentors or mentees. Event occurs over lunch.

On-Site Resume Assistance Workshop:

A unique opportunity to guide, edit and assist attendees with their resumes at NDiSTEM.

Field Trips - Saturday:

Host undergraduate and graduate students. Bring a diverse group of qualified students to your organization, lab, or research center. SACNAS will secure transportation and provide student snack bags; your institution will manage all logistics. Facility required to be within a reasonable driving distance of the Oregon Convention Center.

Sponsor a Concurrent Session:

Create and present your STEM content for the conference attendees in one of the six sponsored sessions.

Coffee Lounge:

Provide a relaxing locale and sponsor a coffee lounge within the Exhibit Hall. The lounge will be set with comfortable seating, where attendees can chat with colleagues or relax between visiting booths. A sign in the lounge will display the organization’s logo. At your expense, you may provide brochures, giveaway items, or additional food and beverage.

CAREERCON

SACNAS has spent the past 50 years creating true belonging through the artful blend of science, culture, and community.

Since 2022, we have extended that intentionality and commitment to the way we connect members and **private industry**. A response to the needs of our members interested in careers in industry, CareerCon is an event like no other.

Attendees gain insight into the industry workplace, learn about current internships & positions they can apply for, all while expanding their professional skillset & network for their future career.

CareerCon represents a commitment to finding a better way to connect hard-working early-career talent from historically underrepresented and excluded groups to the STEM enterprise.

Through CareerCon, industry partners will be able to meaningfully connect with SACNAS’ membership of diverse talent, while engaging in unique opportunities to recruit and hire for their current, open internships & full-time positions.

Occurs digitally each Spring.
