Founded in 1973, SACNAS is an inclusive organization dedicated to fostering the success of Chicanos/Hispanics and Native Americans, from college students to professionals, in attaining advanced degrees, careers, and positions of leadership in STEM.

ABOUT SACNAS

Known for our blend of science, culture, and community, SACNAS invites attendees and partners to bring their whole selves — their identity, background, experiences, and talents — to STEM. Through strategic partnerships with institutions, companies, and agencies all over the country, SACNAS provides its members access to the opportunities and connections needed to excel in obtaining advanced degrees, careers, and positions of leadership in STEM.

TOGETHER, WE'RE TRANSFORMING THE STEM WORKFORCE.

ABOUT NDSTEM

The SACNAS National Diversity in STEM (NDiSTEM) Conference is working toward a world in which the STEM enterprise proportionally reflects the demographics of the nation; a world of true diversity. We are changing the face of STEM by celebrating the contributions and perspectives of individuals from historically excluded identities, while ensuring that all our members see themselves in STEM and build the skills and relationships to thrive.

The largest multidisciplinary and multicultural STEM diversity event in the country, the NDiSTEM Conference is a gathering which serves to equip, empower, and energize participants for their academic and professional paths in STEM. Over the course of the event, college-level through professional attendees are immersed in cutting-edge STEM research, professional development sessions, motivational keynote speaker plenaries, and the Graduate School & Career Expo Hall, as well as multicultural celebrations and traditions, and an inclusive and welcoming community of peers, mentors, and role models. Simply put, the NDiSTEM Conference is a broadly inclusive space where you are encouraged and empowered to bring your whole self to STEM.

It's just mind blowing just to come out here and see a bunch of minorities being in one big group and one big place, you know, and feel welcome. That's something I got as soon as I walked through the doors.
It’s been really different being here with so many people that look like me and also presenting my research. I feel like I’ve been able to step into science with my whole entire self, my whole culture, and my whole background.
PARTNERSHIPS

Our partners are an essential part of SACNAS—providing opportunities, resources, connections, and inspiration to the next generation of STEM talent.

WE INVITE YOU TO JOIN THIS COMMUNITY OF CHANGEMAKERS.

The major goals for SACNAS are to provide an inclusive space that honors and celebrates science, culture, and community, and to serve as the connector between diverse STEM talent and you.

One of the most important aspects of our organization is the breadth of professional development opportunities available. Whether it’s principles of leadership, engagement through networking, or access to the brightest talent, you will find them all through SACNAS. We hope you take advantage of the many benefits that come with a conference partnership.

As a partner, you demonstrate your commitment to diversifying STEM and making the culture of science more inclusive, not only at your own institution or company, but across the country. Your presence as a partner will help educate our members and conference attendees while influencing their academic and career paths.

“We were honored to sponsor the conference and support the economy of Puerto Rico by having Wells Fargo recruit for highly technical roles among talented Latinx and Native Americans,” expressed Xochitl Leon, Head of Talent Acquisition. “We appreciate the work of our business partners for continuing to innovate to drive diverse talent for all our line of businesses.”

Wells Fargo also complemented this lineup with a STEM Symposium Session focused on funding and leadership support to bring bright technical solutions to the real world shared Rene Contreras, Diverse Segments Relationship Lead.

Explore a partnership with SACNAS to identify ways to increase your impact, visibility, and engagement with our community. Access our diverse STEM talent, amplify your DEI impact and activate your employees by joining us in partnership this year.

WE ARE PROUD TO OFFER THE FOLLOWING PACKAGES FOR ALL 2023 PARTNERS.

WE LOOK FORWARD TO WELCOMING YOU INTO THE SACNISTA FAMILY.

information post-conference.

Poster: $1,000. Partner name displayed during awards and provided student awardee contact in their academic and career success. Graduate Student Oral: $1,500 or Undergraduate Student. Your contribution as a partner will support aspiring STEM students from all backgrounds to advance our many scholarship funds for an inspirational evening that celebrates our students’ aspirations and the success yet to come. The ceremony brings together more than 100 STEM degree-seeking recipients of this year’s SACNAS National Diversity in STEM Conference. We know that leaders are not born, they are made. Our leadership alumni have gone on to take strong leadership positions in their respective careers and communities. Let’s celebrate their hard work and success!

Diversity in STEM Conference. We know that leaders are not born, they are made. Our leadership alumni have gone on to take strong leadership positions in their respective careers and communities. Let’s celebrate their hard work and success!

For over 10 years, SACNAS has offered leadership development programs, resulting in a strong network of over 300 scientists who have directly benefited from these leadership programs and the National Diversity in STEM Conference. We know that leaders are not born, they are made. Our leadership alum have gone on to take strong leadership positions in their respective careers and communities. Let’s celebrate their hard work and success!

Leadership Alumni Reception: For over 10 years, SACNAS has offered leadership development programs, resulting in a strong network of over 300 scientists who have directly benefited from these leadership programs and the National Diversity in STEM Conference. We know that leaders are not born, they are made. Our leadership alum have gone on to take strong leadership positions in their respective careers and communities. Let’s celebrate their hard work and success!

Leadership Alumni Reception: For over 10 years, SACNAS has offered leadership development programs, resulting in a strong network of over 300 scientists who have directly benefited from these leadership programs and the National Diversity in STEM Conference. We know that leaders are not born, they are made. Our leadership alum have gone on to take strong leadership positions in their respective careers and communities. Let’s celebrate their hard work and success!

Student Presentation Award Ceremony: This is a celebration of our award recipients—their accomplishments, determination and persistence, and successes yet to come. The ceremony brings together more than 100 STEM degree-seeking recipients of our many scholarship funds for an inspirational evening that celebrates our students’ aspirations and the partnerships who make it all possible.

Student Presentation Award: Your contribution as a partner will support aspiring STEM students from all backgrounds to advance in their academic and career success. Graduate Student Oral: $1,500 or Undergraduate Student Poster: $1,000. Partner name displayed during awards and provided student awardee contact information post-conference.

Mobile App Push Notification: Send your message directly to attendees through the official SACNAS mobile app. Exhibitors can submit for approval a 140-character message to send on the day of their choice (Thursday or Friday).

Individual Student Travel Award: Provide conference scholarships that include funded travel, lodging, and/or registration for undergraduate and graduate students to attend the SACNAS National Diversity in STEM Conference. Accepted awardees will also have access to specialized programming to welcome and orient them to the conference in October.

Exhibit Hall Interview Room: Private 10’x10’ space located near the exhibit hall for a quiet place to meet with attendees.

SACNAS logo on all lanyards distributed to attendees at check-in. Attendees Only. Provided to every attendee at registration, the lanyards ensure your organization/institution maximum visibility with conference attendees. Sponsors logo will appear alongside the SACNAS logo on kick panels of the registration counters.

A LA CARTE MENU

Black, Afro-Latinx, Afro-Indigenous Reception:
Inclusion is at the heart of what we do at SACNAS. This reception celebrates Black, Afro-Latinx, Afro-Indigenous community. The reception offers attendees the opportunity to network, exchange stories, and build community.

LGBTQIA+ Reception:
This reception celebrates LGBTQIA+ students, professionals, and allies. The reception offers attendees the opportunity to network, exchange stories, and build community.

Women in STEM Reception:
This reception celebrates and focuses on women at every stage of their education and career. The reception offers attendees the opportunity to network, exchange stories, and build community with women in STEM.

Native Indigenous Reception:
This reception is open to all Native American/Indigenous members and supporting community attending the conference and provides a time for our Native community to come together and network. We invite SACNAS board members, the Native American/Indigenous Affairs Committee, and exhibitors/sponsors to attend. There is a short program that includes a welcome and recognition and time can be made for a sponsor(s) to provide a presentation.

Leadership Alumni Reception: For over 10 years, SACNAS has offered leadership development programs, resulting in a strong network of over 300 scientists who have directly benefited from these leadership programs and the National Diversity in STEM Conference. We know that leaders are not born, they are made. Our leadership alum have gone on to take strong leadership positions in their respective careers and communities. Let’s celebrate their hard work and success!

Student Presentation Award Ceremony: This is a celebration of our award recipients—their accomplishments, determination and persistence, and successes yet to come. The ceremony brings together more than 100 STEM degree-seeking recipients of our many scholarship funds for an inspirational evening that celebrates our students’ aspirations and the partnerships who make it all possible.

Student Presentation Award: Your contribution as a partner will support aspiring STEM students from all backgrounds to advance in their academic and career success. Graduate Student Oral: $1,500 or Undergraduate Student Poster: $1,000. Partner name displayed during awards and provided student awardee contact information post-conference.

Mobile App Push Notification: Send your message directly to attendees through the official SACNAS mobile app. Exhibitors can submit for approval a 140-character message to send on the day of their choice (Thursday or Friday).

Individual Student Travel Award: Provide conference scholarships that include funded travel, lodging, and/or registration for undergraduate and graduate students to attend the SACNAS National Diversity in STEM Conference. Accepted awardees will also have access to specialized programming to welcome and orient them to the conference in October.

Exhibit Hall Interview Room: Private 10’x10’ space located near the exhibit hall for a quiet place to meet with attendees.

A LA CARTE MENU

Floor Stickers: Lead attendees from the Exhibit Hall entrance to your booth. These stickers will feature a sponsor logo and booth number, along with the SACNAS logo. This package includes three floor stickers that are each approximately 2’x2’.

Quiet Room: The quiet room is a resource offered to conference attendees so that they can have a space to rest and generally escape the noise and stimulation of the conference. This space is one of the many ways we support our attendees, including those with sensory disabilities.

Ribbon Wall: Logo or branding added to the Ribbon Wall located in a premier location of the conference.

Official Conference App: Have your logo highlighted on the homepage of the official Conference App at all times. This is where the Passport, important information on the schedule, sessions, Exhibit Hall, and all other things conference-related will be posted. Your company name and/or logo will be on all app marketing. No printed programs will be provided so all attendees will rely heavily on the app throughout the show!

Refreshment Break: AM/PM. Maximize exposure while helping attendees decompress and unwind. Sponsor a refreshment break.

Cultural Ceremony Opener: Our cultural ceremony is designed to welcome attendees and ground their experiences in not only the local culture of our host city, but in SACNAS’s culture of inclusion, celebration and excellence.

Pow Wow: This is one of the biggest cultural celebrations during the conference. The Pow Wow brings together all our participants to celebrate the conference for bringing together the SACNAS membership and supporting community through Native American singing and dancing. The event is held over a two-hour time frame and includes a welcome and recognition of special guests at the beginning. In previous years, sponsors have been given 15 minutes to present information to the audience. The Pow Wow is well-attended conference event and is inclusive while engaging the audience.

Pachanga - 50th Anniversary Celebration: Our closing dance party happens on Saturday evening and provides an informal and fun all ages activity focused on music, culture and a celebration of the whole SACNAS community.

Registration Kiosk: Officially welcome attendees to the conference. Exclusive branding of the event registration including sponsor logo on kiosk panels of the registration counters.

Wi-Fi: Name inclusion. Official host of Wi-Fi for all conference attendees.

SACNAS Lanyards Co-Branding: Attendees Only. Provided to every attendee at registration, the lanyards ensure your organization/institution maximum visibility with conference attendees. Sponsors logo will appear alongside the SACNAS logo on all lanyards distributed to attendees at check-in.
Conversations with Scientists Co-Sponsor:
Conversations with Scientists is a signature event—gathering student and professional attendees in informational, roundtable, and discipline-specific discussions. All conference attendees are encouraged to attend and serve as mentors or mentees. Event occurs over lunch.

Price: $20,000
Number: 1

On-Site Resume Assistance Workshop:
A unique opportunity to guide, edit and assist attendees with their resumes at NDiSTEM.

Price: $25,000
Number: 1

Field Trips - Saturday:
Host undergraduate and graduate students. Bring a diverse group of qualified students to your organization, lab, or research center. SACNAS will secure transportation and provide student snack bags; your institution will manage all logistics. Facility required to be within a reasonable driving distance of the Oregon Convention Center.

Price: $25,000
Number: 2

Sponsor a Concurrent Session:
Create and present your STEM content for the conference attendees in one of the six sponsored sessions.

Price: $25,000
Number: 5

Coffee Lounge:
Provide a relaxing locale and sponsor a coffee lounge within the Exhibit Hall. The lounge will be set with comfortable seating, where attendees can chat with colleagues or relax between visiting booths. A sign in the lounge will display the organization’s logo. At your expense, you may provide brochures, giveaway items, or additional food and beverage.

Price: $30,000
Number: 2

SACNAS has spent the past 50 years creating true belonging through the artful blend of science, culture, and community. Since 2022, we have extended that intentionality and commitment to the way we connect members and private industry. A response to the needs of our members interested in careers in industry, CareerCon is an event like no other.

Attendees gain insight into the industry workplace, learn about current internships & positions they can apply for, all while expanding their professional skillset & network for their future career.

CareerCon represents a commitment to finding a better way to connect hard-working early-career talent from historically underrepresented and excluded groups to the STEM enterprise. Through CareerCon, industry partners will be able to meaningfully connect with SACNAS’ membership of diverse talent, while engaging in unique opportunities to recruit and hire for their current, open internships & full-time positions.

Occurs digitally each Spring. Learn more HERE.
