## Get To Know Us: Creating Possible in a Pandemic

Gilead Pharmaceutical Development Manufacturing (PDM) leaders will share how the team was able to accelerate drug manufacturing and leverage supply chain relationships during COVID-19.

This will be an informative and inspiring discussion on creative thinking to address challenges and to demonstrate how Gilead's employees are creating possible for patients around the world. You will have the opportunity to hear from our employees directly as we discuss how we support each other, the meaningful work we do and the passion that drives us. In addition, you will hear about employment opportunities at Gilead.
